iBMACS®

Are you FSA compliant?

The FSA has adopted a three stage approach to identify how brokers take steps to prevent risks within their business.

Stage One: Business Risk Awareness Workshops (BRAW)
Stage Two: Regulatory Review
Stage Three: Follow-up Work

How are you dealing with this process?

Why partner with iBMACS...

Would your firm's current system automatically alert you if you were to become non-compliant in any of the key areas of FSA compliance?

Are you able to see at a glance the monthly trends within your firm for each area of FSA compliance?

Are you able to produce a comprehensive compliance report at any moment in time?

Do you receive accurate, consistent and regular compliance support on a cost effective basis?

Does your FSA compliance match "best practice" within the broking community?
